

# TURBOFIX-PRO

TURBOFIX-PRO is a poly-vinyl acetate based adhesive, compounded with proprietary additives. It has a unique formulation that maintains a strong bond even under water & under moist conditions. It prevents termite infections and is safe for human handling. It is economical due to its high coverage.

## TYPICAL PROPERTIES

- Appearance : Viscous liquid
- Colour : Milky white

## ADVANTAGES

Fast setting & Anti-termite

25% higher coverage than any other wood adhesive

Supreme bonding strength & ideal for high-end applications

Ease of application

48-hour continuous water resistance

Low VOC content

High heat resistance

Phthalate-free product

## AREA OF USAGE

- Furniture industries
- Ply to laminates
- Wood to wood
- Laminates to MDF/particle boards and other cellulosic material
- Non-furniture industries
- Textile
- Paper
- Sports goods
- Wallpaper & carpet manufacturing

## PRECAUTIONS

1. Ensure that the moisture content in the substrate is below 12%
2. Application temperature should be above 5° C
3. Close the container after use to prevent skin formation

## SHELF LIFE

Best before one year from the date of manufacturing, if stored under cool and dry conditions in a sealed container.

## STORAGE

Low or high temperature storage should be avoided and the adhesives should preferably be stored within the temperature range of 5° C to 35° C

## IMPORTANT NOTICE

Whilst all reasonable care is taken in the compilation of this data sheet, it is the customer's responsibility to determine the suitability of the product for the desired application.

## DISCLAIMER

**KANSAI NEROLAC PAINTS LTD. (KNPL)** warrants that all products are free from any defects of manufacturing and comply with the specifications given in their respective technical data sheet. No warranty can be given as to the results of use because conditions of use, such as site conditions, surface preparations, workmanship, weather, structural issues and other factors are beyond the control of NEROLAC. Purchaser agrees to seek the advice of qualified professionals to carry-out tests and take trials to determine the suitability of products for their intended purpose, prior to full-scale usage of KNPL products and assumes all risks.

The company does not assume any liability for unsatisfactory results, arising from the use of our products. Purchaser's sole liability is limited to the replacement of the product or refund of the purchase price paid, if any product is proven defective. No other warranties expressed or implied, shall apply including any warranty of merchantability or fitness for any particular purpose.

**KNPL** shall not be liable for any consequential damages arising from the use of our products for unsatisfactory results. The information supplied in this data sheet is based on our experience through extensive research and is given in good faith in order to help prospective users. We reserve the right to update the information provided in our technical data sheet at any time without prior notice within the scope of technical progress or new developments.
